Transforming bike storage

10% off Minipods, Scooterpods & Streetpods

We are a carbon neutral company and all of our products are recycled/recyclable, colourful, compact AND secure!

Scooterpods; Funky little “toadstool” style units which store and secure 12 scooters. Ideal for nursery and primary schools. In just over a month over 100 Scooterpods have already been snapped up!

Minipods; Fun and colourful “space rocket” style units which store and secure 8 bikes AND 8 scooters in a compact and tidy fashion. Less than 3 years on, over 2000 Minipods have been sold nationwide.....encouraging children in schools and nurseries out of cars and onto bikes and scooters!

Streetpods; Supported by the police, our highly secure and very robust Streetpods are ideal for any secondary school environment. With Streetpods you can safely secure 2 bikes in just 70cm and you only need one lock to secure both wheels and the bike frame!
